Attn: US HPV Challenge Program

Dear Mr. Johnson:

The American Chemistry Council's (ACC) Higher Olefins Panel has finalized the documents for the Higher Olefins Category under the US HPV Challenge Program. Please find included with this letter two CDs, which contain the final Higher Olefins Category report and accompanying dossiers for C6, C7, C8, C9, C10, C11-13, C14-16 and C18-54.

Comments or questions should be directed to the Higher Olefins Panel Manager, Doug Anderson. Mr. Anderson may be reached at 73-741-5616 or Doug_Anderson@americanchemistry.com.

Sincerely yours,

Courtney Price
Vice President, CHEMSTAR
